

DESIGN-BUILD INSTITUTE OF AMERICA

IOWA STATE UNIVERSITY STUDENT CHAPTER

2016-2017

Design-Build is the fastest growing delivery method in the construction industry, and our goal is to make the Iowa State University DBIA Student Chapter a nationally recognized "training ground" for young leaders to meet the challenges of the future.

We rely on support from the industry to help make this vision a reality, and ask you to consider the following sponsorship opportunities to help us grow.

ISU DBIA Sponsorship Levels

Level	Amount	Activities Sponsored
Cyclone	\$5000	Send entire cabinet to the DBIA National Conference
Cardinal	\$1000	Send one student to the DBIA National Conference
Gold	\$500	Sponsor our National Student Competition Team
Silver	\$250	Fund one ISU DBIA social activity
Bronze	\$100	Funds travel to one job Site tour
Individual	\$50	Food and drinks at monthly chapter meetings

Benefits of Sponsorship

- Bronze sponsors and above: Your company's logo on our DBIA Student Chapter active member T-Shirts
- Your Company's logo on our DBIA Student Chapter Website
- Recognition on the Monthly Meeting Agendas
- Sponsor listing, with level of sponsorship posted on the DBIA Bulletin Board in Town Engineering (Civil, Construction, and Environmental Engineering building).
- Name recognition among tomorrow's design-build leaders!

Donations can be sent to:

ISU DBIA Student Chapter
456 Town Engineering
Ames, IA 50011
<https://stuorgs.engineering.iastate.edu/dbia/>

Please make all donations by 10/1
Thank you for your support!
