ELLWOOD

METALLURGY SCHOLARSHIP

One award of

\$15,000

And up to three awards each of

\$5,000

ELLWOOD is technologically advanced in **steelmaking, forging and machining** to produce engineered heavy metal sections. Every day, our employees **make world-class metal – and an impact.**

Our Metallurgy Scholarship is open to **college juniors** majoring in **Material Science** or **Metallurgy** at an accredited four-year college or university.

At ELLWOOD, we're family. As a community-minded, family-owned company, ELLWOOD **affords you the trust and freedom to make real decisions and do work that makes real impact.** We believe that everyone deserves a path to professional and personal growth.

Hard work is what we do. Our sense of purpose is why we do it.

Opportunities

- Apply to scholarships
- Sign up for:
 - Pizza sales
 - Outreach
- Check out the meeting slides you missed

<https://stuorgs.engineering.iastate.edu/material-advantage/> or
google “iowa state material advantage”

The screenshot shows the homepage of the Material Advantage website. At the top, the title "Material Advantage" is on the left and "Iowa State University Chapter" is on the right. Below the title is a banner image with a navigation menu containing "Home", "Current Semester", "Club Activities", "Photos", and "Current Executive Board". The main content area features a "Home" heading followed by the text: "ISU Material Advantage connects students to the department, the community and Iowa representatives." Below this is a paragraph describing the organization's national and international reach and its access to various professional societies. At the bottom of the main content area, it says "Here are the links to those societies:" followed by a grid of small thumbnail images.
