- Check out the meeting slides you missed

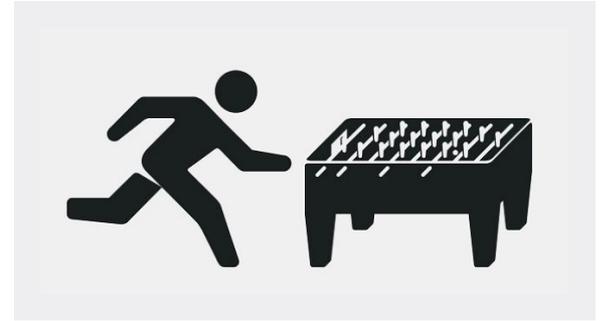

<https://stuorgs.engineering.iastate.edu/material-advantage/> or
google “iowa state material advantage”

The screenshot shows the homepage of the Material Advantage website. At the top, the title "Material Advantage" is on the left and "Iowa State University Chapter" is on the right. Below the title is a banner image with a grid of material science-related photos. A navigation menu below the banner includes "Home", "Current Semester", "Club Activities", "Photos", and "Current Executive Board". The main content area features a "Home" heading followed by the text: "ISU Material Advantage connects students to the department, the community and Iowa representatives." Below this is a paragraph describing the organization's national and international reach, listing member societies: The American Ceramic Society (ACerS), Association for Iron & Steel Technology (AIST), ASM International, and The Minerals, Metals and Materials Society (TMS). A link to these societies is provided. On the right side of the main content area, there is a vertical grid of small thumbnail images.
